Principal Sanry Bd K.G.I. no C 77 Dy 23.5.29. forwards for Sanction the resolution of the Board that half the cost of the Epidemic Diseases Hospital at Robertsonpet be borne by Govt as in the case of the Bangalore & Mysore cities

It is stated that the annual charges of the Hospital amounts to Rs 5367 which the Board is unable to meet on account of financial condition of the Board. ~~that~~ The Board has a deficit budget for 1929-30 to the extent of Rs 16665 & so it is prayed that Govt should bear half the cost of the institution. A previous reference has been made by the Board about the Maternity Hospital & the file has been requested to the G. in-Council. This may also be requested to the Sanctification of the G. in C. for remarks.

On the G. O. of 26-6-1921, the Control of the ED hospitals was transferred from that of Municipalities of Bangalore & Mysore to that of the Medical dept to bring them on an efficient basis. In view of the bad financial condition of the M.C.& Sanitary Boards, of which the expenditure is more than the Revenue, the extension of the same arrangement may perhaps be considered. The Boards request that one half of the total charges of the hospitals be borne by Government. This is the proportion fixed in the case of Bangalore Municipality. As this arrangement will involve an additional recurring expenditure of about Rs 2700 in the Medical dept, the Sanl Comr & Senior Surgeon may perhaps be consulted in the matter.

7 It is certainly desirable that just as in the Bangalore and Mysore Cities, the control of the Epedimic Diseases Hospital on the Kolar Gold Fields should be vested in the Medical Department. I am therefore in favour of extending the arrangement to the Kolar Gold Field, half the cost of the Institution viz. Rs. 2,700/- nearly, being borne by Government.

Officer continuing to be in charge of the E.D. Hospital even after the transfer of the Hospital to the Medical Department. So far as the administration of the Hospital is concerned he will be under the control of the Senior Surgeon, as suggested by the President of the Sanitary Board. There is also a medical officer of the grade of Surgeon in the K.G.F. Board as contrasted with Kolar Gold Mines considering the local conditions it is preferable to leave the E.D. Hospital under the charge of the Health officer, as it will facilitate the quick removal of suspected cases and contacts to the Hospital from the various mining areas which he inspects daily.

I do not think that the Director of Health will have any objection to this arrangement.

GEN. & JUDL. SECTT. 5237 28 MAY 1929 L. S. G. BRANCH.

From

A.V.Ramanathan, Esq., B.A.,

President, Sanitary Board, Kolar Gold Field,

CHAMPION REEFS.

To

B.Narayanaswami Iyengar, Esq., B.A., B.L.,

Offg. General Secretary to the Government of

His Highness the Maharaja of Mysore,

Bangalore.

SIR,

In forwarding herewith a copy of the Resolution of the Kolar Gold Field Sanitary Board, passed at the meeting held on 22nd March 1929 in the matter of one-half of the entire charges of the Epidemic Diseases Hospital, K.G.F being born by the Government, I have the honour to state as follows:-

1. The Budget Estimates of the Sanitary Board for the year 1929-30 have resulted in a deficit balance of Rs.16645/-, owing to the depleted condition of the Board's finances inspite of every effort made to decrease the expenditure and to improve the revenues. It may be added that the Board have also appointed a Special Sub-Committee to go into the present financial condition of the Sanitary Board, where it is found difficult to meet even the ordinary recurring expenditure every year.

2. The Board have been incurring a heavy expenditure on Hospitals and Dispensaries. The Veterinary Dispensary and the Child Welfare Centr are the two new institutions added on to the Board whose entire cost is met by the Board.

3. The present finances do not admit of the Board continuing to meet the entire charges of these institutions without a grant-in-aid or contribution from Government.

4. The Epidemic Diseases Hospital, Robertsonpet which is maintained by the Sanitary Board is costing Rs.5367/- per annum and the Board are

are anxious to be relieved of a portion of its recurring expenditure from the year 1929-30. In Bangalore and Mysore city Municipalities, half the cost of such institutions is born out of State Funds. The Board - request that this concession may be kindly extended to the Sanitary Board.

In these circumstances I request you to kindly obtain the sanction of Government to the Board's proposal that the moiety of cost of maintaining the Epidemic Diseases Hospital at Kolar Gold Fields may be born by the Government from the year 1929-30.

I have the honour to be,

Sir,

Your most obedient servant,

for PRESIDENT,

K.G.F Sanitary Board.

Proceedings of the special meeting of the Kolar Gold Field Sanitary Board, held on Friday the 22nd March 1929 at 3-30 P.M., in the Sanitary Board Office, at Champion Reefs.

1. Draft Budget Estimates of Receipts and Expenditure of the Kolar Gold Field Sanitary Board for the year 1929-30

Resolution:- (1) The Draft Budget Estimates for 1929-30 are approved subject to the following modification.

The Travellers' Bungalow at Champion Reefs which is not serving any useful purpose may be abolished and caretaker's post on Rs.11/- per mensem retrenched.

The Budget as approved will stand as below:-

Opening Balance	Rs.13,526.
Receipts	Rs.98,617.
	Total Rs.85,091.
Expenditure	Rs.101736
Closing Balance	Rs.-16,645

As against the closing balance the Sanitary Board have a sum of Rs.24,100/- invested partly in Fixed Deposits in the Bank of Mysore and partly in the Mysore State Loan Bonds (6½ per cent)

2. Further resolved that in view of the present financial condition of the Sanitary Board, the Government may be requested to bear from 1929-30 one-half of the entire charges of the Epidemic Diseases Hospital, on the analogy of such hospitals in the Cities of Bangalore and Mysore.
